

Reaching and Supporting Muslims Throughout the Metro New York Area

www.JesusForMuslims.org

Greetings Friend of Jesus for Muslims Network! We are launching a quarterly series which will highlight the work of the ministries sponsored through the JFM Network. Thank you for your faithful prayers and support.

Focus: Brooklyn Arab American Friendship Center

The Brooklyn Arab American Friendship Center is serving

students from a wide range of countries including Yemen, Syria, Palestine, Egypt, Morocco, Algeria, Tunisia and Lebanon. Through practical means like ESL, citizenship, and computer classes, many students are impacted by the gospel and want to know more about the source of the peace and love they encounter.

*If the Middle East is
going to have peace,
it needs Jesus!

There are many direct ways the Center is reaching students for Christ. Saturdays are for family classes focused on biblical truth such as loving your family, forgiveness and dealing with anger. The Center's theme for this meeting is "As For Me and My Family We Will Serve the Lord." Students are extremely engaged in these classes and one father is bringing the lessons home to watch with his entire family.

The center is also doing a Bible study about healing the soul based on Luke 4:8 "He has anointed me He has sent me to heal the brokenhearted". Many are sharing about their wounds openly and some are boldly asking Jesus to ask them for help.

BAAFC is currently serving 150 students but has had to turn away scores because of a lack of space. Would you consider partnering with JFM to help BAAFC reach their goal of expanding to a larger site this year?
